9 Steps To Create A Powerful Fitness Business

7 Zen Principles in Business Eliminate the Clutter â€” Kanso. Take a good hard look at pruning people, places, processes and things that are cluttering up your path that are not adding to you and helping you to grow.

7 Zen Principles Make You Happier and More Successful in

Remove the clutter from your tasks and life and commence the "de-junk". If there is anything in your cubicle that you do not need--old files left by the last employee, a three-hole punch that you never use, a pen holder that you hate--get rid of it. Dig into those files that have been building and bulging for months, maybe even years.

How to Add Zen to Your Workplace: 10 Steps (with Pictures)

Zen is also a practice that pulls you out of your routine, and trains you to live less automatically and more mindfully. More and more companies are embracing Zen principles to bring tranquility to their employees daily work and help balance the demands that growing a business places on individuals and teams.

13 Easy Ways to Create a Zen Office Space On a Budget

Some of our business cards can now be customized online for free without the use of a Word document editor and downloaded as a PDF file. This 4-minute video shows the whole process from start to finish.

A zen inspired design is all about natural colours, in soft tones, such as white, grey, shades of beige or pink beige, which have the power to induce a sense of relaxation and calmness. Chromatic harmony between the various elements is very important, as well as the visual continuity between walls, furniture and floors.
