

decorative painting techniques for pdf

The decorative arts are arts or crafts whose object is the design and manufacture of objects that are both beautiful and functional. It includes interior design, but not usually architecture. The decorative arts are often categorized in distinction to the "fine arts", namely painting, drawing, photography, and large-scale sculpture, which generally produce objects solely for their aesthetic ...

The first step when determining appropriate alternative text for an image is to decide if the image presents content and if the image has a function. In most cases, an image will only have a function if it is contained within a link (or is an image map hotspot or a button).

WebAIM: Alternative Text

Renaissance art is the painting, sculpture and decorative arts of the period of European history, emerging as a distinct style in Italy in about 1400, in parallel with developments which occurred in philosophy, literature, music, and science. Renaissance art, perceived as the noblest of ancient traditions, took as its foundation the art of Classical antiquity, but transformed that tradition by ...
