Pale Male (hatched in 1990) is a red-tailed hawk who has been residing since the 1990s near New York City's Central Park. Birdwatcher and author Marie Winn gave him his name because of the unusually light coloring of his head. He is one of the first red-tailed hawks known to have nested on a building rather than in a tree and is known for establishing a dynasty of urban-dwelling red-tailed hawks.

The purpose in establishing competencies for leaders should be to better define what functions leaders must perform to make themselves and others in their organizations effective.

Leadership Competencies: Are we all saying the same thing?

Capacity building (or capacity development) is the process by which individuals and organizations obtain, improve, and retain the skills, knowledge, tools, equipment and other resources needed to do their jobs competently or to a greater capacity (larger scale, larger audience, larger impact, etc). Capacity building and capacity development are often used interchangeably.
