European competition law is the competition law in use within the European Union. It promotes the maintenance of competition within the European Single Market by regulating anti-competitive conduct by companies to ensure that they do not create cartels and monopolies that would damage the interests of society.. European competition law today derives mostly from articles 101 to 109 of the ...

European Union merger law is a part of the law of the European Union which regulates whether firms can merge with one another and under what conditions. It is part of competition law and is designed to ensure that firms do not acquire such a degree of market power on the free market so as to harm the interests of consumers, the economy and society as a whole.

By Dimitrios Kaferanis. On Monday 23 April 2018, the European Commission released its proposal on the protection of persons reporting on breaches of Union law. The proposal of the European Commission comes after pressure of the European Parliament and other organisations calling for a coherent protection of whistle-blowers at the EU level. This pressure results partially from different ...
