A contract is a promise or set of promises that are legally enforceable and, if violated, allow the injured party access to legal remedies. Contract law recognises and governs the rights and duties arising from agreements. In the Anglo-American common law, formation of a contract generally requires an offer, acceptance, consideration, and a mutual intent to be bound.

Usurpations. Usurpation is the exercise of powers by an agent which have not been delegated to him by the principal. In a constitutional republic like the United States of America, acts by officials are legitimate only if they are consistent with and based on a constitution, a body of laws which are superior to all subsequent statutes and other acts of officials, which embodies all delegations ...
