1. Support a two-generation approach to meet the needs of both parents and their young children experiencing homelessness by developing and strengthening partnerships across housing and early childhood programs and systems to obtain and sustain housing, achieve stability, ensure positive early experiences, and promote well-being for the whole family ...

Guidance Document on Meeting the Needs of Families with

Home literacy plans might include parents reading with their children, participating in class projects, or providing effective homework support. Districts decide when to retain students in a grade. Parents should be familiar with the policies that govern grade retention at their school.

A Parents' Guide to Early Literacy Supports

Early literacy is what kids know about reading and writing before they can actually read and write. You are your child's first teacher and preparing him or her to read can be easy and fun - whether you're at home or on the go! Five of the best ways to prepare your child to read are talking, singing, reading, writing and playing. Talking.
