

famous scientists and what pdf

This page contains links to list of scientists.. By academic genealogy. Academic genealogy of theoretical physicists; Academic genealogy of chemists; List of people considered father or mother of a scientific field

Lists of scientists - Wikipedia

The roles of "scientists", and their predecessors before the emergence of modern scientific disciplines, have evolved considerably over time. Scientists of different eras (and before them, natural philosophers, mathematicians, natural historians, natural theologians, engineers, and others who contributed to the development of science) have had widely different places in society, and the social ...

Scientist - Wikipedia

boys, after disciplining them in one way or another, feels guilty for the rest of her life because she didn't do "the right thing," accordancy to the experts.
