Fated is amazing! Chris has always been one of my favorite characters in the Relentless series. Karen Lynch does a wonderful job of telling Chris's story. There is humour, action, adventure and some Mori romance. The world Ms. Lynch created in Relentless continues to grow with depth and the ability to capture the reader's interest.

Fated by Karen Lynch is the 6th book in the Relentless series. This book follows Chris and his potential mate on a roller coaster ride that is a joy to ride. The girls Sara and Jordan who have been with the series since the first and second book respectively have some hilarious smart mouth lines that add humor to the story.
