Feminism in the United States - Wikipedia

First-wave feminism was a period of feminist activity and thought that occurred during the 19th and early 20th century throughout the Western world. It focused on legal issues, primarily on gaining the right to vote.. The term first-wave was coined in March 1968 by Martha Lear writing in The New York Times Magazine, who at the same time also used the term "second-wave feminism".

This guide stresses the systematic causal analysis of gender inequality. The analytical questions raised and the readings listed consider why and how gender inequality arises, varies across and within societies, persists over generations, produces conformity by individuals and institutions, resists change, and sometimes changes dramatically.
