Flipping is a term used primarily in the United States to describe purchasing a revenue-generating asset and quickly reselling (or "flipping") it for profit. Though flipping can apply to any asset, the term is most often applied to real estate and initial public offerings (IPOs).. The term "flipping" is used by real estate investors to describe "residential redevelopment".

I made tiny gingerbread houses that are meant to be perched on the edge of a mug of hot chocolate. I had been thinking about those sugar cubes that hook on the rim of a teacup earlier this month, and I was also thinking about 3-D cookies and how they fit together and figured it would be pretty neat to make cookies that hang on the edge of a mug. I thought I was being so brilliant but it only ...
