4 Sonatinas, Op.214 (Gurlitt, Cornelius) - IMSLP/Petrucci

As with many musical terms, sonatina is used inconsistently. The most common meaning is a short, easy sonata suitable for students, such as the piano sonatinas of Clementi. However, by no means are all sonatinas technically undemanding, for example the virtuoso sonatinas of Busoni and Alkan, and the Sonatine of Ravel, whose title reflects its neo-classical quality.

Sonatina - Wikipedia

A violin sonata is a musical composition for violin, which is nearly always accompanied by a piano or other keyboard instrument, or by figured bass in the Baroque period.. List

Boismortier's final surviving set of trio sonatas, the [IV] Sonates pour deux flutes traversieres avec la basse, Op. 78, dates from late 1739 or early 1740. With this set the composer has, in a sense, come full circle, as these works recall his very first "sonates en trio", Op. 4, of 1724: both sets are scored for two flutes and continuo and all sonatas have four movements.
