As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:

To be fully understood, literary production has to be approached in relational terms, by constructing the literary field, i.e. the space of literary prises de position that are possible in a given period in a given society. Prises de position arise from the encounter between particular agents' dispositions (their habitus, shaped by their social trajectory) and their position in a field of ...
