The space marine, an archetype of military science fiction, is a kind of soldier that operates in outer space or on alien worlds. Historical marines fulfill multiple roles: ship defence, landing parties, and general-purpose high-mobility land deployments that operate within a fixed distance of shore. By analogy, hypothetical space marines would defend spaceships, land on planets and moons, and ...

Space marine - Wikipedia

Space opera is a subgenre of science fiction that emphasizes space warfare, melodramatic adventure, interplanetary battles, chivalric romance, and risk-taking. Set mainly or entirely in outer space, it usually involves conflict between opponents possessing advanced abilities, futuristic weapons, and other sophisticated technology. The term has no relation to music, but is instead a play on the ...
