There are a lot of articles on ROK about lifting weights and building muscle. All of them are very good. What I could not find was an ultimate guide, with all the most important information for building muscle the fastest way possible, naturally, in a single place.

### **The Ultimate Guide To Building Muscle: Genetics And Training**

This book worked great with my class. Very similar to the previous edition so if you need to save money, you could get the older one. It's always recommended that if you've been assigned problems to check out the edition on reserve in your college library just to make sure the numbering hasn't changed.
